

Consult A Doctor™ 24/7
Where the doctor is always in.
CALL. CLICK. CARE.

Provide Employees with Reliable Advice and Help Them Save Money with a 24/7 Medical Consulting Service

▶ Unnecessary visits to the doctor's office or the emergency room can run up the costs of an employer's health plan in a heartbeat. Consult A Doctor reduces those visits and lowers costs by providing your employees fast and quality access to physicians 24 hours a day. Consult A Doctor members can consult with a board-certified physician by phone, email, video, or mobile app. Doctors can answer questions, diagnose common conditions and even write prescriptions when appropriate. With Consult A Doctor, your clients and their employees will see fewer copays, hospital bills and unnecessary medical appointments, which will save them time and money.

Why ConsultADoctor?

Immediate Service: Doctors are always available to answer questions and give advice and recommendations for common health issues.

Easy to Use: Consult A Doctor provides employees five easy ways to consult:

- ✓ **On-call:** Connect to a doctor in less than 90 seconds to get answers to informational medical questions; receive advice and recommendations for common conditions.
- ✓ **Priority:** A doctor will call you back in as little as 30 minutes (guaranteed 1 hour); you can obtain a diagnosis, treatment plan and prescription (Rx), including refills when appropriate*.
- ✓ **By Appointment:** Just like a Priority Consultation, but you can set a time that fits your schedule, Monday through Friday.
- ✓ **E-consult:** Consult with a doctor discreetly using our secure email system and receive a response within 2-4 hours (24 hours guaranteed). Get expert information and advice regarding important medical questions.
- ✓ **Video Consult:** Consult with a doctor face-to-face; you can obtain a diagnosis, treatment plan and prescription (Rx), including refills when appropriate*.

Helps Contain Health Costs: Consult A Doctor can cut down on unnecessary medical visits and trim overall health care costs for clients and their workers by 25 percent or more.

Enhance Productivity, Retention: Consult A Doctor can reduce absenteeism and help strengthen your benefits package so you recruit and retain top talent.

* Consult A Doctor makes no warranty as to the content of any treatment response. You and your physician are solely responsible for all information and/or communication sent during a consultation. Consult A Doctor is not health insurance, and does not replace your primary care physician. You agree to contact your Primary Care Physician should your condition change or your symptoms worsen. Priority and By Appointment consultations do not guarantee prescriptions as requested. Consult A Doctor is not a prescription fulfillment center. It is not guaranteed that the doctor will issue a script for prescription medication. Consult A Doctor's physicians do not prescribe DEA-controlled medications or lifestyle drugs. If you have an emergency medical condition, please dial 911. All services are HIPAA-compliant.
